SOCKS - SHORT OVERVIEW OF THE PIECE:
Worked in the round on double pointed needles, top down.

SOCK:
Cast on 64-72-80 stitches on double pointed needles size 2.5 mm with Baby Merino. Knit 1 round. Then work rib (= purl 1/knit 1) for 2-3-4 cm. Now work pattern as follows (choose diagram for your size): A.1 (= 33-37-41 stitches), continue with rib as before over the remaining stitches. Repeat pattern vertically. REMEMBER THE KNITTING TENSION! When 2 repetitions of A.1 have been worked vertically (piece measures approx. 10-11-12 cm), work as follows: Work A.1 as before over the first 33-37-41 stitches (= on top of foot), cast off the next 31-35-39 stitches with knit over knit and purl over purl (= back of foot). Work next round as follows: Work pattern as before over A.1, cast on 25-31-35 new stitches (= under foot) = 58-68-76 stitches. NOW MEASURE PIECE FROM HERE! Continue with A.1 and rib. When 2-2-3 repetitions of A.1 have been worked vertically from cast off and cast on of new stitch (= 4-4-5 repetitions in total from cast-on edge) continue with knit over knit and purl over purl until piece measures 10-11-12 cm. Cast off stitches with knit over knit and purl over purl. Fasten off. Work the other sock the same way.
